SUMMARY

I'm a freelance photographer with 6 years of experience and a video creator intern at Glazziq Co., Ltd. I have skills in managing video projects, pre-production planning, on-set coordination, and post-production editing. I hold a Bachelor's degree in Biology and currently pursuing a Master's degree in Natural Resources/Conservation from Mahidol University. I have completed certifications in Technical Support Fundamentals, Digital Marketing, Programming, Ecology, and Content Marketing. I'm passionate about photography, videography, and natural resources. Please contact me if interested.
